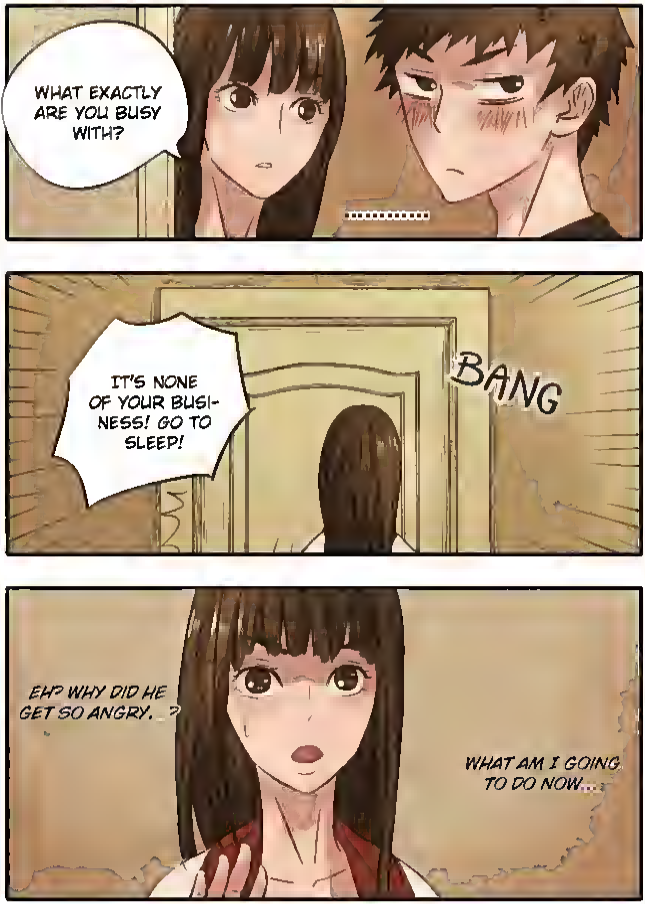
snif-file snif-file...
snif-file snif-file...
MAYBE I'M STILL DREAM-ING?!

NO! IT FEELS TOO REAL!

BANG BANG BANG!
XIAO LEI!

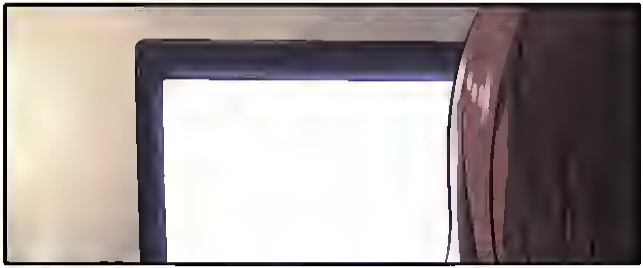
XIAO LE!! OPEN THE DOOR!!
WHAT'S WRONG, SIS?
I...I'M SCARED... CAN YOU SLEEP WITH ME?
HUH? YOU'RE OLDER THAN ME. WHAT ARE YOU AFRAID OF? I'M BUSY.

WHAT ARE YOU BUSY WITH IN THE MIDDLE OF THE NIGHT?
PLAYING GAMES?
HUH? YOU AREN'T PLAYING ANY GAMES...



WHAT EXACTLY ARE YOU BUSY WITH?
.....
IT'S NONE OF YOUR BUSINESS! GO TO SLEEP!
BANG
EH? WHY DID HE GET SO ANGRY...?
WHAT AM I GOING TO DO NOW...

LET'S GO ONLINE TO DISTRACT MYSELF THEN.



THIS IS A SURPRISE...
SHE ACTUALLY DELETED ALL HER CHATS AND SEARCH HISTORY.
ALL THE FOLDERS AND PHOTOS ARE NORMAL TOO...
IS THERE ANY NEED FOR A HIGH SCHOOL GIRL TO BE SO CAUTIOUS?

THAT'S RIGHT. THIS ONLY PROVES THAT SHE HAS AN UNSPEAKABLE SECRET.
HOW DO YOU PLAN TO INVESTIGATE FURTHER?
THERE ARE CLUES IN EVERY CASE. SINCE I'M ALREADY HERE, I WON'T LET GO OF ANY POSSIBILITIES.
SHE'S PROBABLY TRYING TO HIDE IT FROM HER FRIENDS HERE BY BEING CAUTIOUS. I DON'T THINK SHE DESTROYED ALL THE EVIDENCE. THERE SHOULD BE SOMETHING HERE.

THERE AREN'T MANY PLACE TO HIDE THINGS IN A HOSTEL. HIDING IT IN THE CUPBOARD WOULD BE TOO OBVIOUS SO THE REMAINING PLACES ARE UNDER THE BED SHEET OR IN A BOOK COVER.
IS IT SAFE TO HIDE IT IN A BOOK COVER? IT'S SUCH AN OLD METHOD.
IF IT'S ONLY A PIECE OF PAPER, PUTTING IT IN THE BOOK COVER MAKES IT HARD TO BE DISCOVERED.
HUH? THESE ARE HANDWRITTEN?

语文
THIS IS... A SELF-MADE BOOK COVER!
YES! IF IT WAS ME, I WOULD HIDE IT IN THE BOOK COVER!
WHAT GENERATION ARE YOU LIVING IN... HOW COULD PEOPLE STILL HIDE IT IN THERE ..
WELL, EVEN IF SHE DID HIDE IT IN THE BOOK COVER, DO YOU PLAN TO TEAR THE COVERS OFF THE BOOKS?
NO NEED FOR THAT.

IT SHOULD BE IN THE ROW OF UNUSED BOOKS.
IT MUST BE THIS BOOK! OUT OF ALL THE UNUSED BOOKS HERE, THIS ONE ACCUMULATED THE LEAST DUST.
DON'T BE SO ROUGH, YOU'LL RUIN IT.

IT'S REALLY HERE!
THIS IS...!

JIAO RAN + ZHI YU'S DAILY LIFE

I've been pulling all-nighters to draw, I've lost weight...

How am I supposed to live through winter now?

If only I could grow some **fats**.
